Jen,

Our Doctors have told us for weeks that swimming is one of the best activities [REDACTED] can engage in right now. I need to speak with the administration to find out what exact note is required for him to return to Pelagics. Who should I reach out to?

Thank you.  
Cassie.

Hello Cassie ,

I wanted to let you know that our administration reached out to me to remind that [REDACTED] is not medically cleared to be at swimming or on campus. I apologize for the lack of communication on our end. When [REDACTED] is cleared, we will be more than happy to let him rejoin the team. I can reach out to Tracie and have her pause the account, so you won't be charged while [REDACTED] is away. Have a restful weekend!
